**Subject:** Update on Dominion Response to CWA 308 Request

Doug, just a quick note to confirm that based on our call earlier in the week, we are pulling together and will provide self-reported issues as part of our response to #28 (even if they did not prompt a formal DEQ response). Also, our current plan is to email you the narrative responses on Monday and send all of the supporting documents on a CD for receipt on Tuesday morning. Will that work on your end? Thanks, Brooks
